

# S3

## Strategic Services Sourcing Contract

### Introduction

- DasNet is teamed with Viatech on the Strategic Services Sourcing (S3) contract to provide a comprehensive range of engineering, logistics and business operations services to the U.S. Army Communications-Electronics Life Cycle Management Command (C-E LCMC).
- Under the S3 contract, contractors may provide the Army's command, control, communications, computers, intelligence, surveillance and reconnaissance (C4ISR) community with expertise across a broad range of life-cycle services to meet rapidly changing and often unpredictable mission requirements.

**Viatech, DasNet and S3: Combined to meet the critical mission needs of the C-E LCMC and the war fighter!**

**"Engineering Beyond Imagination"**

## Services

- Systems engineering
- Research and development
- Software development, sustainment and support
- Program management and analysis
- Business functions
- Supply chain management
- Logistics
- Technical field assistance
- Test and evaluation
- Modeling and simulation
- Information operations/assurance support
- Facilities management
- Administrative services in conjunction with new and existing systems, families of systems, platforms and C-E LCMC commodity items

## Features

- Pre-qualified firms
- Pre-negotiated rates
- Short lead time and procurement process
- No fee for C4ISR clients
- Task order types: Firm Fixed Price, Time and Material, Cost Plus Fixed Fee
- Program ceiling - \$19.25 billion
- Cradle-to-grave support to command, control, communication, computer, intelligence, surveillance and reconnaissance (C4ISR) systems

## Preparing the S3 Data Package

The C-E LCMC has developed standardized requirements for delivery order award on the S3 contract.

- 1. Contact Your C-E LCMC Acquisition Center Representative to Register a New Project** - contact the appropriate C-E LCMC Acquisition Center customer representative.
- 2. Prepare Task Performance Work Statement (PWS)/Statement of Work** - describe the required work effort using the C-E LCMC template.
- 3. Prepare Independent Government Cost Estimate** - the C-E LCMC Acquisition Center customer representative will provide a template for the estimate.
- 4. Prepare Basis for Contractor Selection** - this document indicates the selection criteria for the PWS and the weighting of those factors.
- 5. Prepare Technical Evaluation Form** - the C-E LCMC template is an analysis of the technical proposal, cost/pricing information, and any other factors considered.
- 6. Prepare S3 Business Case**
- 7. Task Execution Plan (TEP)** - after the package is finalized and approved, the C-E LCMC will send the Request for Task Execution Plan (RTEP) to the S3 prime contractors.
- 8. Government Award**
